## 1. Aims

The aims of relationships and sex education (RSE) at our school are to:

- Provide a framework in which sensitive discussions can take place
- Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- Help pupils develop feelings of self-respect, confidence and empathy
- Create a positive culture around issues of sexuality, gender identity and relationships
- Teach pupils the correct vocabulary to describe themselves and their bodies
- Support students to make safe choices and safeguard themselves against risk by recognising unhealthy relationships, youth produced sexual images (YPSI), sexual harassment and sexual violence and understanding how to report these effectively.
- Teaching will be personalised in the approach taken to meeting student's needs and learning styles

## 2. Statutory requirements

With our KS2 pupils we must provide relationships education to all pupils as per section 34 of the Children and Social work act 2017.

# Relationships and Sex Education

## Policy

However, we are not required to provide sex education but we do need to teach the elements of sex education contained in the science curriculum.

In teaching RSE, we must have regard to guidance issued by the secretary of state as outlined in section 403 of the Education Act 1996.

We follow the statutory requirements set out in Relationships Education, Relationships and Sex Education (RSE) and Health Education from Department of Education, 2019 and Keeping Children Safe in Education 2023.

At The Greater Horseshoe School we teach RSE as set out in this policy.

With our secondary aged and post-16 pupils we provide RSE to all pupils as per the Children and Social work act 2017.

In teaching RSE, we must have regard to to guidance issued by the secretary of state as outlined in section 403 of the Education Act 1996.

We follow the statutory requirements set out in Relationships Education, Relationships and Sex Education (RSE) and Health Education from Department of Education, 2019 and Keeping Children Safe in Education 2022.

### 3. Policy development

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

1. Review – a member of staff or working group pulled together all relevant information including relevant national and local guidance
2. Staff consultation – all school staff were given the opportunity to look at the policy and make recommendations
3. Parent/stakeholder consultation – parents and any interested parties were invited to attend a meeting about the policy
4. Pupil consultation – we investigated what exactly pupils want from their RSE
5. Ratification – once amendments were made, the policy was shared with governors and ratified

### 4. Definition

RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

RSE involves a combination of sharing information, and exploring issues and values.

RSE is not about the promotion of sexual activity.

### 5. Curriculum

# Relationships and Sex Education

## Policy

Our curriculum is set out as per Appendix 1 but we may need to adapt it as and when necessary.

We have developed the curriculum in consultation with parents, pupils and staff, taking into account the age, needs and feelings of pupils. If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner so they are fully informed and don't seek answers online.

Primary sex education will focus on:

- Preparing all students regardless of gender for the changes that adolescence brings
- How a baby is conceived and born

For more information about our curriculum, see our curriculum map in Appendix 1.

## 6. Delivery of RSE

### KS2

RSE is taught within the personal, social, health and economic (PSHE) education curriculum. Biological aspects of RSE are taught within the science curriculum, and other aspects are included in religious education (RE).

Pupils may also receive stand-alone sex education sessions delivered by a trained health professional.

Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me
- Caring friendships
- Respectful relationships
- Online relationships
- Being safe
- Consent
- Self-worth
- Attraction to others
- Marriage including same sex

For more information about our RSE curriculum, see Appendices 1 and 2.

### KS3

RSE focuses on giving young people the information they need to help them develop healthy, nurturing relationships of all kinds including:

- Families
- Respectful relationships, including friendships

# Relationships and Sex Education

## Policy

- Consent
- Gender and sexual identity
- Online and media, including pornography, sexting and youth produced sexual images
- Sexual harassment and assault
- Being safe
- Intimate and sexual relationships, including sexual health and contraception

For more information about our RSE curriculum, see Appendices 1 and 2.

### KS4

RSE develops on previous learning and supports students to make safe choices as they move towards adulthood.

- Respectful relationships, including friendships
- Gender and sexual identity
- Consent
- Online and media, including pornography, sexting and youth produced sexual images
- Sexual harassment and assault
- Being safe
- Intimate and sexual relationships, including sexual health and contraception
- Relationships and sex expectations
- Abortion and the law

### KS5

- Respectful relationships and recognising abuse
- Consent
- Gender and sexual identity
- Online and media, including pornography, sexting and youth produced sexual images
- Sexual harassment and assault
- Being safe and sexual health
- Intimate and sexual relationships, including sexual health and contraception
- Abortion and the law
- Fertility, pregnancy

# Relationships and Sex Education

## Policy

These areas of learning are taught within the context of family life taking care to ensure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures) along with reflecting sensitively that some children may have a different structure of support around them (for example: looked after children or young carers).

### 7. Roles and responsibilities

#### 7.1 The governing board

The governing board has delegated the approval of this policy to Tracy McEwen

#### 7.2 The headteacher

The headteacher is responsible for ensuring that RSE is taught consistently across the school, and for managing requests to withdraw pupils from components of RSE (see section 8).

#### 7.3 Staff

Staff are responsible for:

- Delivering RSE in a sensitive way
- Modelling positive attitudes to RSE
- Monitoring progress
- Responding to the needs of individual pupils
- Responding appropriately to pupils whose parents wish them to be withdrawn from the components of RSE

Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the Head of Faculty for Life Skills.

Stacey Clements will oversee the day to day planning and delivery of the RSE curriculum under the direction of the Senior Leadership Team (SLT). Other teaching staff will be supported to deliver the RSE curriculum as per the school plans and schedule, including teachers, tutors and learning support assistants.

#### 7.4 Pupils

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity.

### 8. Parents' right to withdraw

Parents do not have the right to withdraw their children from sex and relationships education in Key Stages 3, 4 and 5.

Parents have the right to withdraw their children from the relationship components of sex education within RSE within Key Stage 2.

# Relationships and Sex Education

## Policy

Requests for withdrawal should be put in writing using the form found in Appendix 3 of this policy and addressed to the headteacher.

Alternative work will be given to pupils who are withdrawn from sex education.

### 8.1 Parents Right to View Resources

Following an announcement from Secretary of State for Education on March 2023, parents have the right to view the resources that will be used to teach their children in school. This is to ensure that students can continue these supportive conversations at home.

Parents will be invited to view resources via presentations or parent portal. If parents are unable to view them via these platforms, they have the option to request these in printed form, although would be encouraged to view via the aforementioned platforms to ensure that they are viewed in context. This enables parents to best support students at home with their learning.

### 9. Training

Staff are trained on the delivery of RSE as part of their induction and it is included in our continuing professional development calendar.

The headteacher will also invite visitors from outside the school, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE.

### 10. Monitoring arrangements

- The delivery of RSE is monitored by Lukasz Miecznikowski (Headteacher) through:
- Learning walks, work quality assurance and pupil progress checking.
- Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.
- This policy will be reviewed by Head teacher at every review, the policy will be approved by Tracy McEwenm
